# Click “Sign In”

A screenshot of a web browser displaying the code.org website. The browser's address bar shows "code.org" highlighted with a green box. The website header features the "code.org" logo (four black squares with white letters C, O, D, E) on the left, and social media icons for Facebook, Twitter, and Tumblr in the center. On the right side of the header, there is a "Sign in" button highlighted with a green box, and a large green number "1" is overlaid on the page. Below the header is a navigation menu with links for "ABOUT", "LEARN", "TEACH", "STATS", and "HOW TO HELP". At the bottom of the page, there is a promotional banner with the text "Donate to our crowdfunding campaign. Only 6 weeks, 3 days remaining" and a purple button that says "Click to make history".

# Click “Sign up”

The screenshot shows a web browser window with the URL `learn.code.org/users/sign_in`. The page features a teal header with the Code.org logo (C, O, D, E in a 2x2 grid). Below the header, the text "Have an account already? Sign in" is displayed in purple. There are two input fields: "Email or username" (highlighted in yellow) and "Password" (highlighted in light blue). A "Remember me" checkbox is present. An orange "Sign in" button is located below the fields. To the right, there is a "Sign up" link highlighted with a green box and a large green number "2" next to it. Below the "Sign up" link are three social login options: "Sign in with Google Account", "Sign in with Facebook", and "Sign in with Microsoft Account". At the bottom, there is a link that says "Want to try coding without signing up?".

# Choose “Teacher Sign Up”

The image shows a browser window displaying the Code.org website. The browser's address bar shows 'learn.code.org'. The website's header features the 'CODE' logo in a 2x2 grid. Below the logo, the text 'Code Studio' is visible, with a large green number '3.' overlaid on the word 'Studio'. Two buttons are present: 'Student Sign Up' and 'Teacher Sign Up'. The 'Teacher Sign Up' button is highlighted with a green rectangular border. To the right of these buttons is the text 'Already registered?' followed by a 'Sign in' button. Below the sign-up buttons is a promotional banner for 'Hour of Code'. The banner includes a photo of Mark Zuckerberg, a circular graphic with code blocks containing 'move forward' and 'turn right', and an Angry Birds game grid. The text 'Hour of Code' is prominently displayed, followed by the text 'Try the basics of computer science. Millions have given it a shot.' and a yellow 'Try now' button.

# Fill out this form

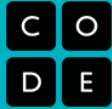

The image shows a browser window displaying the Code.org sign-up page for teachers. A large green number '4' is overlaid on the top left of the form area. The form is titled 'Teacher sign up for Code.org' and includes the following fields:

- Display Name
- Email
- Password
- Password confirmation
- Age
- School Name (optional)
- School Address (optional)

Below the form is an orange 'Sign up' button. To the right of the form, there are links for 'Already signed up? Sign in', 'Forgot your password?', and three social login options: 'Sign in with Google Account', 'Sign in with Facebook', and 'Sign in with Microsoft Account'.
